2024-25 Verification of Family Enrollment

Your financial aid application indicated that more than one student in your household is or will be enrolled in college/university. Only individuals included in your household (excluding parents) and who are or will be enrolled at least half time in a program leading to a degree/diploma/certificate during the 2024-25 academic year may be included with the University. These students must also receive at least 50% of their support from your parents to be included in the household.

Please have an enrollment verification form completed by the student and returned to the Office of Financial Aid. If a student's enrollment cannot be verified or if the family member is not enrolled at least half-time.
