

CSS Profile Waiver Request for the Noncustodial Parent

- Your noncustodial parent is required to complete a CSS Profile application. If you have no contact with your noncustodial parent, you may request to waive this requirement from each college that is requesting the CSS Profile Application from your noncustodial parent. See below process for next steps.
- **Submission of this request does not guarantee that a waiver will be approved.**
- Each college will make its own decision and communicate that decision to you. Each college reserves the right to request additional information regarding your waiver request.
- You are encouraged to check the website(s) of your college(s) to ensure that you are meeting your financial aid application requirements.
- Be aware that not every college will accept this waiver request. Colleges may require their own form as well as additional documentation; if so, you must follow the college's instructions for submitting a CSS Profile waiver request for the noncustodial parent.

Types of waiver requests that may be considered:
